Lifetime of Pin

Metrics are updated in real-time

Impressions	Pin clicks	Saves	Outbound clicks
-	-	-	-
The number of times your Pin was on screen	The total number of clicks on your Pin	The number of times your Pin was saved to a board	The number of clicks to the destination URL associated with your Pin

Saved to these boards

Boards your Pin was saved to over the lifetime of the Pin. Saves to private boards aren't included.

Krista Dandridge-Barnett
39 Pins

The data reported here is an estimate. Some charts require a minimum number of users to display. Daily data is recorded in UTC.
